Subject: RE: Ag Letters for CZARA review

Hey Alan - thanks for the message. Can you tell the ag group that if they see pesticide comments to flag them? Based on Allison's spreadsheet, I have the following comments down as having pesticide topics, but if there are any more that people see, I'd appreciate knowing them: 4, 13, 28, 35, 46, 55, 59, 62, 69, 70-72, 75-77, 81, 83, 85.

Or if that's too confusing, maybe we can connect on another way to do these. Thanks! - Jenny

Subject: Ag Letters for CZARA review

Helen, Katie and Roberta,

I took a quick look at each Ag comment letter (identified in the spreadsheet) and based on its size and complexity (again, a very quick review), I've divided the letters up for review.

Helen and Katie, you will have two very difficult and comprehensive letters to review plus 12 fairly simple ones. Your letters are:

57 - NWEA - very big and very difficult
56 - Rogue River Keeper - also very big
The rest are one or two page letters generally:

12
15
19
23
28
39
44
47

Ex. 6 - Personal Privacy

49- Native Fish Society
51- Shell fish program - Alex Manderono
72-

Ex. 6 - Personal Privacy

74-Tillamook Bay

Roberta and I will review the following:

54 - Beyond Toxics
55-

Ex. 6 - Personal Privacy

58- Oregon Wild

60 - Socially Responsible Ag Program
65- Water Watch of Oregon
64, 66, 68 - The same letter from three different individuals
71- Several Associations
73-Fresh Water Trust
78- Oregon Environmental Council
80-Oregon Association of Clean Water Agencies plus others
81- Ex. 6 - Personal Privacy
83- Audubon Society
84-Oregon Association of Nurseries

Please feel free to connect with each other if you have questions/concerns regarding issues you find during the review. I will set up a check-in schedule for us to get together to discuss how things are going. I am still working on the "Framework for Review". With any luck I will get it done today.

Feel free to contact me anytime you have questions.

Again, thanks so much for helping out with this review.

Alan
